The Dancing Letters

Olivia is a little girl full of life and imagination. But when her grandmother asks her to write a story for her birthday, Olivia feels a little unsure. Because when it comes to writing, things never go as she intended. Words thumb their noses at her. Lowercase letters turn into uppercase letters. Subjects and verbs don't always agree. How can Olivia write a story when words and letters won't cooperate?

I Wouldn't Hurt a Fly

Beyond any doubt, Venus would not harm a fly. But for a carnivorous plant, not eating flies is a little fishy. It just doesn't seem possible. Other plants question her choices and spread rumors about her. How will Venus handle the criticism and will she be able to stand up for herself? A humorous story that tackles themes of self-confidence, assertiveness, and the respect for differences.

My Book of Feelings

Joy, fear, anger, surprise... children experience a range of emotions every day, often at the same time, and they sometimes find it difficult to articulate what they feel. Naming and identifying emotions is a way for little ones to start recognizing these feelings. As they gain self-awareness, children learn to manage their emotions, a critical skill that lays the foundation for emotional intelligence and resilience. The feelings described in this book, each associated with a color, include joy, surprise, anger, love, fear, sadness, and calm.

My Body

Like all children his age, Caillou is very active, discovering life through his daily experiences and becoming more aware of his body. When he runs, he can feel his heart beat faster. When he eats and drinks, he has to go to bathroom. After a busy day, he takes a bath and goes to sleep, only to repeat the whole thing again the following day. The simple and easy-to-understand explanations of the human body are written from Caillou's point of view. Perfect for children his age who want to know how their body functions and how to take care of it.

Introducing children to the human body and some of its major systems, this unique Cailloushaped book explores the cardiovascular system, the digestive system, the skin, cleanliness, and visible anatomy.
